**EARLY BIRDS CLOSING SOON!**

There's only a few days left to take advantage of Early Bird registrations for the 10th annual Botanic to Bridge (B2B) and this year's funD run is shaping up to be one of the best yet.

With nearly 300 people already keen to walk, run or skip the course on Sunday 18 August, it seems the people of Gladstone are setting the challenge early with family and friends.

Gladstone Ports Corporations (GPC) People, Community & Sustainability General Manager, Rowen Winsor said that the talk around the town is all things B2B, with keen community members sprinting to sign up.

"It's shaping up to be a fantastic event, with nearly 300 registrations this early in the campaign it's looking like we're going to see thousands at the start lines," Ms Winsor said.

"We're only 70 days out from Gladstone's major community fundraising event of the year, so I hope everyone is training for the 8km or 3km courses and setting the challenge to friends, family and work mates.

"It's all about getting out and having fun, while raising funds for our local schools and our community beneficiary, which we will be announcing later this week with our platinum sponsor, Santos GLNG."

Run along and register today by using code B2BEarly at the checkout to receive 10% off of your registration price.

Standard registrations will open Monday 17 June, and will close at 10am Thursday 15 August.
