

APPRENTICESHIPS 2010

Gladstone Ports Corporation

Growth, Prosperity, Community.

Gladstone Ports Corporation (GPC) is a long standing contributor to the local, state and national economies. GPC manages and operates the Port of Gladstone, including the Gladstone marina, its recreational parklands and the Port Alma shipping terminal.

The Port of Gladstone is Queensland's largest multi commodity port, housing the fourth largest coal export terminal. The Port Alma shipping terminal facilitates the import and export of niche market products including ammonium nitrate, explosives, general cargo, salt, and tallow.

With total port throughput forecast to exceed 100 million tonnes by 2012, GPC remains committed to the growth and development of the Central Queensland region.

The Gladstone Ports Corporation is offering the following apprenticeships commencing January 2010:
