Spinnaker Park to remain closed

Gladstone Ports Corporation has advised that Spinnaker Park will remain closed to the public over the weekend, as damaged trees are still to be cleared from the site.

GPC's CEO Leo Zussino said recent high tides and rough weather had also damaged the bund wall on the ocean side of the park.

He said it would take two days of solid work before the area would be safe to reopen.

Mr Zussino said residents would be able to visit the Marina parklands which have been cleared of debris.

Playgrounds have also been checked and can be used.
